

2º CICLO | MESTRADO

**Direction**

Laurentina Pedroso; Ângela Paula Rocha Martins; Fábio Alexandre Abade Santos; Má  
Cotovio

**Number of Semesters**

3

**ECTS**

90

**About**

Offering innovative/specialised training  
developments and needs of the Veterinar  
Daytime/after-work, hybrid, online and

students to better reconcile their professional and personal lives, giving them the flexibility to study, acquire and practise their profession on a daily basis. The training, which is organised into 1.5 years, is divided into theoretical-practical and practical courses, aiming at deepening knowledge in Clinical Veterinary Medicine, dedicated to carrying out an internship of preference, and to writing a project.

## Course Plan

### Course Structure

#### 1º Ano / Common Core

[Advanced Practices in Medical Nursing I](#) 6 ECTS | [Advanced Practices in Surgical Nursing I](#) 6 ECTS | [Biosafety](#) 2 ECTS | [Fundamental Principles of Veterinary Nursing](#) 6 ECTS | [Animal Welfare \(Optionals I\)](#) 2.5 ECTS | [Equine Management \(Optionals I\)](#) 2.5 ECTS | [Geriatrics - Care and Particularity in Senior and Geriatric Animals \(Optionals I\)](#) 2.5 ECTS | [Technology in the Production of Livestock Species \(Optionals I\)](#) 2.5 ECTS | [Veterinary Nursing and Neonatology \(Optionals I\)](#) 2.5 ECTS | [Veterinary Nursing in Companion Animal Medicine \(Optionals I\)](#) 5 ECTS | [Veterinary Nursing in Conservation Medicine \(Optionals I\)](#) 2.5 ECTS | [Veterinary Nursing in Equine Medicine \(Optionals I\)](#) 5 ECTS | [Veterinary Nursing in Farm Animals Medicine \(Optionals I\)](#) 2.5 ECTS | [Veterinary Nursing in Physiotherapy and Rehabilitation \(Optionals I\)](#) 5 ECTS | [Veterinary Nursing in Shelter Medicine \(Optionals I\)](#) 2.5 ECTS | [Veterinary Oncology Nursing for Companion Animals \(Optionals I\)](#) 2.5 ECTS | [Advanced Practices in Medical Nursing II](#) 6 ECTS | [Advanced Practices in Surgical Nursing II](#) 6 ECTS | [One Health](#) 2 ECTS | [Animal Health in Livestock Species \(Optionals II\)](#) 2.5 ECTS | [Animal Nutrition \(Optionals II\)](#) 2.5 ECTS | [Emergency and Intensive Care Nursing for Companion Animals \(Optionals II\)](#) 2.5 ECTS | [Equine Welfare in Hospitalisation and Intensive Care \(Optionals II\)](#) 2.5

[ECTS | Integrative Medicine in Veterinary Nursing \(Optionals II\) 2.5 ECTS | Standard Projections and Radiographic Quality \(Optionals II\) 2.5 ECTS | Veterinary Nursing in Companion Animal Surgery \(Optionals II\) 5 ECTS | Veterinary Nursing in Equine Sports Medicine - Physiotherapy and Rehabilitation \(Optionals II\) 2.5 ECTS | Veterinary Nursing in Equine Surgery \(Optionals II\) 5 ECTS | Veterinary Nursing in Exotic Animals \(Optionals II\) 5 ECTS | Veterinary Nursing in Livestock Surgery \(Optionals II\) 2.5 ECTS | Veterinary Nursing in Stomatology and Dental Medicine in Companion Animals \(Optionals II\) 2.5 ECTS | Research Methods and Techniques, Statistical Treatment, Research and Scientific Communication 6 ECTS |](#)

## **2º Ano / Area of Specialization in Farm Animals**

[Dissertation \(Equine Specialization Area\) \(Dissertation/Project Work/Internship Report\) 30 ECTS | Dissertation \(Specialization in Companion Animals\) \(Dissertation/Project Work/Internship Report\) 30 ECTS | Dissertation \(Specialization in Livestock Species\) \(Dissertation/Project Work/Internship Report\) 30 ECTS | Internship Report \(Equine Specialization Area\) \(Dissertation/Project Work/Internship Report\) 30 ECTS | Internship Report \(Specialization in Companion Animals\) \(Dissertation/Project Work/Internship Report\) 30 ECTS | Internship Report \(Specialization in Livestock Species\) \(Dissertation/Project Work/Internship Report\) 30 ECTS | Project Work \(Area of Specialization in Livestock Species\) \(Dissertation/Project Work/Internship Report\) 30 ECTS | Project Work \(Equine Specialization Area\) \(Dissertation/Project Work/Internship Report\) 30 ECTS | Project Work \(Specialization in Companion Animals\) \(Dissertation/Project Work/Internship Report\) 30 ECTS |](#)

## **2º Ano / Area of Specialization in Equines**

[Dissertation \(Equine Specialization Area\) \(Dissertation/Project Work/Internship Report\) 30 ECTS | Dissertation \(Specialization in Companion Animals\) \(Dissertation/Project Work/Internship Report\) 30 ECTS | Dissertation \(Specialization in Livestock Species\) \(Dissertation/Project Work/Internship Report\) 30 ECTS | Internship Report \(Equine Specialization Area\) \(Dissertation/Project Work/Internship Report\)](#)

30 ECTS | [Internship Report \(Specialization in Companion Animals\) \(Dissertation/Project Work/Internship Report\)](#) 30 ECTS | [Internship Report \(Specialization in Livestock Species\) \(Dissertation/Project Work/Internship Report\)](#) 30 ECTS | [Project Work \(Area of Specialization in Livestock Species\) \(Dissertation/Project Work/Internship Report\)](#) 30 ECTS | [Project Work \(Equine Specialization Area\) \(Dissertation/Project Work/Internship Report\)](#) 30 ECTS | [Project Work \(Specialization in Companion Animals\) \(Dissertation/Project Work/Internship Report\)](#) 30 ECTS |

## **2º Ano / Area of Specialization in Companion Animals**

[Dissertation \(Equine Specialization Area\) \(Dissertation/Project Work/Internship Report\)](#) 30 ECTS | [Dissertation \(Specialization in Companion Animals\) \(Dissertation/Project Work/Internship Report\)](#) 30 ECTS | [Dissertation \(Specialization in Livestock Species\) \(Dissertation/Project Work/Internship Report\)](#) 30 ECTS | [Internship Report \(Equine Specialization Area\) \(Dissertation/Project Work/Internship Report\)](#) 30 ECTS | [Internship Report \(Specialization in Companion Animals\) \(Dissertation/Project Work/Internship Report\)](#) 30 ECTS | [Internship Report \(Specialization in Livestock Species\) \(Dissertation/Project Work/Internship Report\)](#) 30 ECTS | [Project Work \(Area of Specialization in Livestock Species\) \(Dissertation/Project Work/Internship Report\)](#) 30 ECTS | [Project Work \(Equine Specialization Area\) \(Dissertation/Project Work/Internship Report\)](#) 30 ECTS | [Project Work \(Specialization in Companion Animals\) \(Dissertation/Project Work/Internship Report\)](#) 30 ECTS |
